

Co-Exhibition with the Kornmeyer Carbon Group

”New Strategic Alliance with KCG” (under consideration)

At present, Nippon Carbon group is discussing a new business framework with Kornmeyer Carbon Group GmbH (headquarters: Germany, Managing Director: Torsten Kornmeyer), who we have a relationship with through a long trading history, as a collaborating partner for the supply system of fine carbon products (carbon fiber products and specialty carbon products) in Europe and the surrounding areas.

Following this ,We are pleased to inform you that we will co-exhibit with the Kornmeyer Carbon Group at ”THERM PROCESS 2015” in Düsseldorf, Germany, in June 2015 (details are listed separately).

We will promote the added value of the supply service to our customers and hope for further business with you.
